To Whom It May Concern:

It is my pleasure to recommend Mrs. Jennifer Johnson for a teaching position in your school. Mrs. Johnson has recently completed a very successful student teaching experience at Chenoa Elementary School and her responsibility, knowledge, and personality were all very impressive. She completed all her assigned tasks, was willing to help wherever needed, and displayed all the qualities of an excellent educator.

Mrs. Johnson learned and then demonstrated excellent classroom management skills throughout her student teaching experience. Students were always well behaved as she also continued to learn and demonstrate effective teaching and planning skills. She has a friendly and caring personality that consistently sets an outstanding example to the students. Her ability to establish a good rapport with young people is very impressive, and I believe her pleasant personality will enable her to be flexible when working with students and adults.

I firmly believe that Mrs. Johnson will be an excellent teacher. She has the personality, work ethic, and determination to excel that will make her a valuable addition to any teaching faculty. Her ability and desire to be successful would benefit any school district. Please feel free to call with any questions regarding Mrs. Johnson at (815) 945-2971.

Sincerely,

Dan Groce
Principal
Chenoa Elementary School
